

PROPOSED CHURCH—Artist's perspective of the proposed First Lutheran Church of Torrance to be built at the corner of Carson st. and Flower ave., shows the major portion of the new structure. Included in the plans are a complete new church with Sunday school classrooms, main sanctuary, parish hall, choir, meeting, and youth rooms.

Lutherans Set Goal of \$72,000 For Church Building Campaign

The Church Council in cooperation with the congregation of the First Lutheran Church of Torrance, voted Sunday night to set a goal of \$72,000 as the next step in the Forward in Faith '53 Building Campaign.

The expansion building program provides for the building of a new church at the corner of Carson St. and Flower Ave. The first phase of building will include the building of Sunday School units and the future Parish Hall which will serve as the Sanctuary until the future church is built, church officials reveal.

The master plan by the architect calls for a complete church, modern in style and with adequate facilities to serve the better than 400 boys and girls enrolled at this date in the Sunday School. The future Parish Hall will seat some 540 persons. Offices necessary to the church program will be included, as well as space provided for the Choir, Women's Room and Youth Lounge.

Pledges taken in the present campaign, to be paid over a period of 30 months, will be used to compile the first units, it was reported.

There will be 100 workers who will make the canvass for funds. These workers are urged to attend the training session for workers. The training sessions will be held Friday night at 7:30 p.m.

Volunteer committeemen already enrolled for service in the campaign include: Dr. Joseph P. Bay, general chairman; Royal Friedly, advance gifts; Ray Ellerman, canvass; Mrs. Claire Cannon, prayer chain; Pastor Paul Wessie, publicity; Paul Narveson, auditor; Keith Fischel, treasurer; Mrs. Julius Meier, secretary; Irvin Wilson, Kenneth Nelson, Robert Wilson, Donald Boyd, division leaders; plus Mrs. E. Larson, William DeMente, Mr. and Mrs. Oliver Minnear, Mrs. George George, Mrs. Marvin McCabe, Mrs. Edna

Shoe Cagers Girl Attacked... Realtors Set for Tilt With Oilers

The famed Phillips Oilers, led by five recognized All-Americans, are heading this way for their annual one-game appearance in Los Angeles.

Undefeated this season in 26 games, the Oilers meet Kirby's Shoes in an NIBL loop contest at 3 p.m. Sunday at the Pan Pacific. It will mark the local debut of the sensational Clyde Lovellette, all-time great who set eight NCA-AA tournament scoring records last year in leading Kansas U. to the national championship.

Lovellette, a unanimous All-American in both 1951 and '52, averaged 24.7 points per game in three years for the Jayhawkers. Other All-Americans on the squad include Don Johnson of Oklahoma A & M, Bobby Wallace of Regis, Bus Whitehead of Nebraska, and Chuck Darling of Iowa.

Lovellette (6-9), Darling (6-8), and Whitehead (6-10), weighing an aggregate 670 pounds, form one of the most terrifying trios in basketball.

The Oilers, who have won eight national championships in 16 years, will be shooting for their fifth straight NIBL crown against Kirby's.

Tickets priced at \$2.40, \$1.80, and \$1.20 are selling at the Pan box office, Southern California Music Co., Pasadena Wintergarden, Harris and Frank stores, and all Mutual Agencies.

During World War II California's growers, canners and can-makers responded to the country's growing requirements for fruits and vegetables by increasing the total pack of these food products from 46 million cases in 1941 to 82 million by 1946, said C. W. Roberts, vice president of the American Can Company's Pacific division.

Protect Child

"Certainly," Powell continued, "a person thus alerted to potential danger can contribute the little help that might prevent just such a crime against their own son or daughter."

Marvin MacArthur, governor of the Lodge, added that it is each citizen's duty to aid their law enforcement officers in controlling crime. "Each citizen must assume the responsibility of protecting our children in every way possible," he declared.

Howard Towle, regional vice-president of the 21st District of the California Real Estate Association, served as installing officer. W. E. Bowen was master of ceremonies.

In a report to the Board, Connett, who was re-elected to the treasury post, revealed that the realty board now has \$7000 in cash, investments, and equipment. Entertainment at the dinner affair was in the form of marimba selections by John Rudolf Bowen. Additional entertainment and door prizes were contributed by Title Insurance and Trust Co.

New Lions Chartered

A dinner-dance at the Hollywood Riviera Country Club was the scene of the charter presentation for the Harbor City-Lomita Lions Club Saturday night.

The new organization is sponsored by the Torrance Lions Club, of which Milt Isbell is president.

District Governor Jack Stalling presented the charter and installed Ray Ferrin, president; Dallas Beauchamp, first vice president; Soren K. Back, second vice president; Don Cowger, secretary-treasurer; George Barcher, tall twister; Ted Witz, Lion tamer; and E. R. Beck, M. C. Bohanan, John McGee and Guy Ingram, directors.

Witz was in charge of the program.

\$900 Added to Chest Fund

A check for \$900 to be added to Torrance's Community Chest fund collections was this week received by Harbor Area Chairman Sam Levy from North American Aviation Co.

The check was signed by J. H. Kindleberger, chairman of the board of directors of the aircraft firm, Levy said.
